**ABSTRACT**

*The reading of yasin fadhilah is a routine activity at the Al-ibriz Islamic Boarding School Foundation in Semarang. be a rule that must be done by every student of Al-ibriz Islamic Boarding School in Semarang. Al-ibriz Islamic Boarding School is still having difficulties in learning outside the lodge, so the boarders have difficulty in supervising these activities and the students have difficulty participating in activities while not in the cottage. Researchers use the waterfall method to complete their research. Researchers designed and built the application of Yasin Fadhilah Semarang Al-ibriz Islamic boarding school based on Android to provide facilities for students to attend learning at Al-ibriz Islamic boarding school when they were not in the Islamic boarding school.*
